

Threshold Ramp

Ease your next big delivery with the assistance of this Threshold Ramp. Able to support up to 750 pounds of weight, this heavy-duty ramp can provide a solid transition point for whatever you need to move. Use this loading ramp to smoothly navigate over a curb. The textured, nonslip surface allows for safe usage even in wet weather. Raised side safety rails ensure that the wheels of a moving cart won't slide off the edges during operation, and the integrated handle make this lightweight ramp easy to reposition and transport.

- Tool-free installation for the ease of use
- Lightweight all aluminum will not rust!
- 5052-H32 Alloy, $\frac{3}{16}$ " thick.
- 750 lbs. Load Capacity...Weighs only 16 lbs.
- Anti-slip traction tape strip for secure footing.
- 2" x 5" hand cut-out for carrying or hanging in delivery truck.
- 1½" high safety side rail.
- Flat transition top and angle stops underneath keep ramp secure against curb when in use.
- 2" to 7" service height.
- One-Year Guarantee against material defects and workmanship.
- Lifetime Guarantee against rust and corrosion.
