CAT. NO.	SIZE (W X H X D)	SHELF SIZE	CAPACITY (LBS.)	WEIGHT (LBS.)
97476	59" x 67½" x 26"	24½" x 56"	800	88

Multi-Tier Stock Cart

- Three-tiered slanted shelf pick cart for totes or tubs
- Size: 59" W x 67½" H x 26" D
- Shelf size: 24½" x 56"
- Capacity: 800 lbs.

Picking Cart

This Picking Cart features three shelves, a document stand, and an ergonomic handle. Heavy duty, T-Bar shelving is strong and durable without being bulky, the T's provide a smooth, flat surface that allows boxes and totes to slide for easy loading and unloading.

Slanted Picking Cart

Designed for easy maneuvering through tight spaces and aisles, this narrow cart is equipped with a fifth, spring-loaded caster, centered for zero-radius turns. T-Bar shelves are sturdy without being bulky and provide a smooth surface for totes to slide easily. Top shelves are slanted for visibility and easy product selection, includes stop bars to prevent totes from sliding off the cart during transport. Level bottom shelf with stops provides additional storage space that is easily accessed by users.

B. Picking Cart

- Steel document shelf allows you to use magnets to hold picking sheets and other documents in place (shelf is powdercoated).
- Top shelf is designed with a tube back stop for additional safety.
- Shelf clearance 24" top to middle, 20" middle to base.
- Equipped with two swivel casters for maneuvering and two rigid casters that allow the cart to roll straight.
- Lifetime Guarantee against rust and corrosion.
- Can be custom built to fit your individual picking needs!
