## School Carts

School Meal Delivery Carts are commonly broken down into two models:

1. Breakfasts are delivered directly to the classroom where students eat during the first few minutes of the school day.
2. Students grab a bagged breakfast from carts located around the school building and take the breakfast to their classroom to eat when time presents itself - Commonly called "Grab-and-Go".

52550 | Breakfast Cart  
(K-6th grade)
