## Lug & Store Cart

Great for meat, sausage, poultry, and byproduct, this cart is equipped to streamline your operation. Three lugs nest securely onto the framework, each supported from the bottom to ensure equal load distribution and solid footing during filling and transportation. The heavy-duty, tubular base provides a sturdy foundation as well as storage space for additional lugs, tubs, or other essentials.

Equipped with four heavy-duty, plate-type casters that are bolted to threaded plates welded to each corner of the base framework. This feature provides additional stability and preserves the structural integrity of the base, no holes or rivets that loosen over time!

- Cart includes two swivel casters for easy maneuvering and two rigid casters that enable to cart to move in a straight line.
- Swivel mechanism is sealed from dirt and debris, prolonging the life of your casters.
- All-welded construction means all seams are sealed, no cracks or crevices that trap dirt and bacteria – Making cleanup a breeze!
- Top of lugs set at a comfortable working height of 43" for improved accessibility.
- Upright framework and ergonomic handle are reinforced with gussets for enhanced strength and durability
- Lifetime Guarantee against rust and corrosion.
- One-Year Guarantee against material defects and workmanship

Lugs rest on heavy duty tube framework.
