Cantilever Shelving "Quick Change" -Freestanding Units

Shelving that quickly changes with YOUR needs.

Change shelf type and placement with our quick "lift-and-lock" method. Front posts have been eliminated providing easier access to storage, especially oversized items allowing more storage space per shelf.

- Freestanding and ceiling mounted uprights available in various heights.
- Mix and match shelf styles to design your own shelving system.
- Five-Year Guarantee against material defects and workmanship.
- Lifetime Guarantee against rust and corrosion.

Ordering made easy.

Now you can order a complete unit with all of it's components with one model number.

Select your shelving style and length of run. Units come with shelves, uprights, horizontal braces and hardware.
