

- This unit is comprised of five T-Bar style shelves, all heli-arc welded, incorporating a rectangular frame of 1½" x 1¾" x .070" wall extruded aluminum tube with 1¼" x 2¼" x .100 T-Bar welded inside, perpendicular to the shelf length.
- Each shelf corner has a heavy duty extruded aluminum collar permanently welded in place which accommodates the post.
- A stainless steel set screw is provided in each collar to lock the shelf at the desired height.
- The posts, 54" tall, are extruded aluminum pipe (6063-T5 alloy) with an outside diameter of 1⅝" and a wall thickness of .150".
- Each post is marked in 2" increments and fitted with a plastic cap on one end and a 5" stem type swivel caster with polyolefin wheel on the other.
- Five-Year Guarantee against workmanship and material defects.
- Lifetime Guarantee against rust and corrosion.
- Made in the USA.
