

- The Costco Table has an aluminum frame consisting of 1½" x 3⅛" tubing laterals. The support bars are constructed of 1½" square tubing, heli-arc welded to the frame.
- The top of the table consists of polytop reinforced with a stainless steel cap.
- The undershelf consists of 1½" square tubing with removable front support bar. The .080" thick aluminum sheet undershelf sits on the frame.
- The posts consist of 1⅝" diameter pipe cut 29" long. The posts are fitted with four stem type 5" swivel casters with brakes.
- Five-Year Guarantee against workmanship and material defects.
- Lifetime Guarantee against rust and corrosion.
- Made in the USA.
